Vodice

Više je razloga koji privlače goste u Vodice.

Živopisno mjesto u kojem ćete provesti miran i ležeran odmor, također nudi razne mogućnosti da se aktivno provedu dani. Na moru potražite osvježanje baveći se nekim od vodenih sportova ili na kopnu vozeći bicikl kroz vodička polja, obilazeći arheološke spomenike. Vodice podižu adrenalin u žilama. Uzbudljivo mjesto gdje je svaki kutak i svaki trenutak ispunjen nekim čudom.

Ali glavni razlog zbog kojega gosti vole doći u Vodice su Vodičani sami. Tradicija bavljenja turizmom duga 50 godina, razvila je kod domaćina razumijevanje za potrebe i želje svojih gostiju. Nekada su Vodice bile težačko mjesto i svako je kućanstvo imalo svoje masline i vinograde. Većina je ljudi sačuvala nešto od svoje zemlje i danas se razonode radi, bavi poslom u polju. Ponosni domaćin ponuditi će vas svojim vinom i sočnom smokvom. Nazdravit ćete ljekovitom travaricom. Prednost boravka u privatnom smještaju je upravo u prisnosti gosta i domaćina, odnosu koji će vam približiti pravi duh grada i ljudi. Za vas Vodice neće biti samo mjesto gdje ste proveli godišnji odmor, nego mjesto gdje ste pronašli nove prijatelje.

Zato nećete pogriješiti izaberete li jedan od ponuđenih privatnih smještaja.

Očekuju vas lijepe kuće s uređenim okućnicama, prozirne i uredne sobe i apartmani opremljeni sa svime što je potrebno za ugodan i bezbrižan odmor. Na vratima vas toplo dočekuju srdačni domaćini koji uvijek stoje na usluzi.

There are more reasons for guests for being attracted to Vodice.

Lively resort where you will spend a quiet and leisured vacation also offers the possibility to spend the days actively. At the sea you can find refreshment in one of the water sports or on the land in cycling through the fields of Vodice and visiting the archaeological monuments. Vodice lets the adrenalin rise in your veins. It is an exciting place where every corner is marked by a miracle.

But the main reason for guests to come to Vodice is the people themselves. The 50-year-old tradition in tourism has developed sensitivity for their guests' needs and wishes. Vodice used to be a peasant's resort and each house had its olive-groves and vineyards. Even today the majority of the people have continued to work in their fields for pleasure. The proud host will gladly offer his wine and juicy figs. You will toast with the healthy travarica. The advantage of staying in a private accommodation is particularly the closeness between the guest and host, the relationship that will bring you closer to the real spirit of the town and the people. Vodice will no longer be just a place where you have spent your vacation, but also a place where you have found new friends.

Therefore you will not make a mistake by choosing one of the offered private accommodations. Beautiful houses with gardens, spacious and clean rooms, apartments equipped with all that is necessary for a pleasant and worryless vacation wait for you. At the door you will be warmly welcomed by your hosts who are always at your disposal.

Prijava gostiju

Poštovani,

prijava boravka i plaćanje boravišne pristojbe za domaće i strane goste obavezni su prema Zakonu o boravišnoj pristojbi, te Zakonu o kretanju i boravku stranaca.

Provjerite da li ste prijavljeni!

Molimo Vas da zbog Vaše udobnosti i ostvarivanja prava provjerite jeste li prijavljeni za cijelo vrijeme svog boravka, od dana dolaska do dana odlaska.

Svaki pružatelj usluge smještaja dužan je prijaviti boravak svojih gostiju, posjedovati potvrdu o prijavi boravka za svakog gosta u bilo kojem od komercijalnih smještajnih objekata (hoteli, aparthoteli, turistička naselja, apartmani, kampovi, pansioni, prenoćišta, hosteli, privatni smještaj i dr.) i na zamolbu gosta dužan je predložiti istu.

Vaša provjera posebice je važna i potrebna ukoliko boravite u privatnom smještaju zbog kvalitete usluge i Vaše udobnosti te onemogućavanja ilegalnog rada onih domaćina koji nisu po zakonu registrirani za pružanje usluge smještaja.

Unaprijed Vam se zahvaljujemo na suradnji i želimo Vam ugodan boravak.

Vaša Hrvatska turistička zajednica

Guest registration

Valued guests,

Registration and the payment of the tourist tax for domestic and foreign guests is mandatory according to the Tourist Tax Act and the Movement and Stay of Foreign Persons Act.

Check whether you have been registered!

To ensure a comfortable stay and make sure you are abiding by the law, we ask you to please check whether you have been registered for the whole of your stay, from the day you arrive to the day you leave.

All those providers of accommodation services are obliged to register their guests, to possess the certificate of registration for each guest in any commercial accommodation facilities (hotels, apartment-hotels, tourist settlements, apartments, camps, boarding houses, lodgings for the night, hostels, private accommodation, etc.) and to present the same at the request of the guest.

Checking this is important and necessary particularly if you are staying in private accommodation so as to facilitate quality service, insure your personal safety and to disable illegal operation of those hosts who are not registered to offer accommodation.

We thank you for your cooperation and wish you an enjoyable stay.
