The Lipa workshop makes authentic and valuable handicrafts, which you will be hard pressed to find or buy anywhere else. Mrs. Liposava Kuštović has saved the art of making folk costumes and its elements from obscurity - she manually sews, embroiders and decorates national costumes, belts, hats, bags and tablecloths with ethnic elements etc. Take home a souvenir from Prvić with utility value, a piece of tradition from this area and a bona fide little work of art!

In order to enhance the experience, it is also possible to organise creative workshops for smaller groups.
